That You're

WRITER DAN BIRCHER

When you're playing the piano you frequently lose your grip on the bow.

You go to bed and accidentally fluff up your head.

You're absolutely convinced that nostalgia is a thing of the past.

You've caught yourself waving "Goodbye" instead of "Hello" when answering the telephone.

You put a higher antenna on your mailbox in an attempt to receive mail from people farther away.

You go to bed and family members attempt to fluff up your head.

Your neighbor's radio blares at three A.M. and you angrily call him up to demand that he change the station at once.

People repeat everything they say to you because you look way too stupid to grasp things the first time around.

People repeat everything they say to you because you look way too stupid to grasp things the first time around.

ARTIST **SERGIO ARAGONÉS**

ORIGINALLY PUBLISHED IN MAD #298, OCT 1990

You go to bed and purposely fluff up your head.

You purchase season tickets to the Super Bowl.

You have trouble picking your shadow out of a crowd.

You fret over the fact that they never mention what a hurricane's last name is.

You find yourself complaining to a waitress that the straw in your glass is upside down.

You find yourself wondering what branch of the military Captain Kangaroo was in.

Your biggest worry about marriage is getting that little ring over your loved one's head, down their arm and onto their second finger.

You find yourself trying to convince a policeman who's pulled you over for a burned-out headlight that he merely has one eye closed.

You worried about a sore that wouldn't heal, only to find out later that it was a natural body opening.

Out in Lake Havasu City, Arizona, the London Bridge—formerly of London, England—has the world's great ocean liners, the Queen Mary, has been permanently moored, also for England's historic Victoria Station so it could be moved to Kansas City and turned into a lesson from the English! We can pick up some badly needed foreign bucks by following suit and

THE WASHINGTON MONUMENT

DRESS UP any metropolitan area with this distinctive 555-foot high marble obelisk. Since 1885, it has dominated the Washington, D.C. skyline as a towering testimonial to both George Washington and to the ideas of honesty, integrity and selflessness which he embodied. The deterioration and ultimate disappearance of these qualities among contemporary lawmakers, however, had rendered the monument obsolete. Thus, today, it merely serves as a painful conscience-goader for American politicians.

ALCATRAZ

MAXIMUM SECURITY ATTRACTION, ANYONE? Once the "Pearl of the U.S. Penal System", Alcatraz no longer houses convicted criminals, since most felons today either go scot-free or prefer accommodations nearer their literary agents while they work on their autobiographies, etc. This "Slammer Supreme" is a one-of-a-kind property and an ideal stop for tourists in high crime areas. Included are dining facilities, cell blocks, exercise grounds, solitary confinement sections—plus—the world famous "big cage"...once occupied by the Birdman of Alcatraz himself.

RONALD REAGAN SLEPT HERE! But not for long, after he learned that heating and cooling costs alone for this historic barn of a home was increasing the National Debt by 1.5% annually. So the cost-conscious Chief Executive, who set examples of frugality by first selling the Presidential Yacht, and later hiring out the Presidential Honor Band to play at weddings and bar mitzvahs on weekends, has decided that the upkeep at this Pennsylvania Ave. address is more than the U.S. can afford. The First Family has relocated in a modest but comfortable motel in Alexandria, Virginia, and the famous White House will be delivered safely to any location in the nation of your choice.

THE GATEWAY ARCH

THE CITY FATHERS of St. Louis, Missouri, hated putting this impressive landmark on the market, but after their unsuccessful court battle over trademark infringement with McDonald's Hamburger Corp., they were forced to. So why not turn St. Louis's loss into your city's gain with this bargain buy? You aren't likely to find another architectural attraction like this at any price. "You deserve a break today," and at this low, low price you're getting one!

THE ASTRODOME

IT'LL NEVER RAIN ON YOUR PARADE—or sporting event, either—once you take delivery on this spectacular climate-controlled arena. Texans don't like being topped...and since New Orleans one-upped them by building a bigger "dome" the powers that be in Houston have elected to let their Astrodome go, and concentrate on their next "super" achievement...enclosing Texas! But in the meantime, you can close in on this unbeatable Texas-size bargain.

THE BOARDWALK

PUT AWAY YOUR MONOPOLY MONEY AND LET'S TALK DOLLARS on this famous 7-mile stretch of Atlantic City ocean-front walkway. Always synonymous with successful restaurants, stores, boutiques and other tourist diversions, why not let this famous Boardwalk do the same for your slumping business district? With the advent of legalized gambling in Atlantic City, a new breed of visitors are finding the old wooden Boardwalk ill-suited for their needs. Syndicate "Helpers" constantly require fresh cement in which to dispose of undesirable elements, and "Doorway Debutantes" find it difficult to walk a "street" in which they can catch their heels in gaps between the boards. Therefore, a new, all-concrete sidewalk will replace the famous old Boardwalk just as soon as we can find a buyer for it at our absurdly low, low asking price.

A MAD PEEK BEHIND

WRITTEN: KATHY WHEELER

Why are the lights so low in here?

It adds atmosphere, it gives the place romantic charm, and it makes it tough for guests to see what ridiculously small portions we serve!

Isn't it fantastic? All these autographed photos of stars like Sinatra, Streisand and Presley saying how much they love this restaurant!

Will you guys hurry up with those autographed photos!

I'm hanging them as fast as I can!
I'm autographing them as fast as I can!

Doctor, that waiter there just tripped and fell, and I think he broke his leg!

Would you take a look at him?

You may not believe this, but as a steady restaurant customer, I have waited 25 years for the chance to use this line ...

What line?
Sorry ... but that's not my waiter!!

This lobster doesn't look so good!

Serve it to him anyway!

But he's a very important man! I'll insult his dignity!

Stop worrying! How much dignity could he have left ... wearing that BIB?

Hey! I'm the Manager ... and Carl is the Maitre d' ... and Harry is the Headwaiter ... and John is the Captain! What are YOU doing with your hand out! You deliver laundry here!

I know that! And you know that! But does the customer know that?!

I finished my meal over an hour ago, and I still haven't found my car!

What are you complaining about? I haven't found my car either!

Did you check with the Parking Attendant?
I AM the Parking Attendant!

Listen! Just turn on the water for me ... hand me a towel ... brush me off ... and shake a plate of quarters at me! That'll intimidate me enough into giving you a tip! But believe me, you don't have to help me in HERE!!

Let's see ... two melons, two bowls of soup, two steaks, and two cups of coffee! Let's make the bill—\$34.50!

But that's double the amount he really should pay!

Right! Which means my tip should be double the amount, too!

But what if he decides to check your addition?
Are you kidding? In this light???

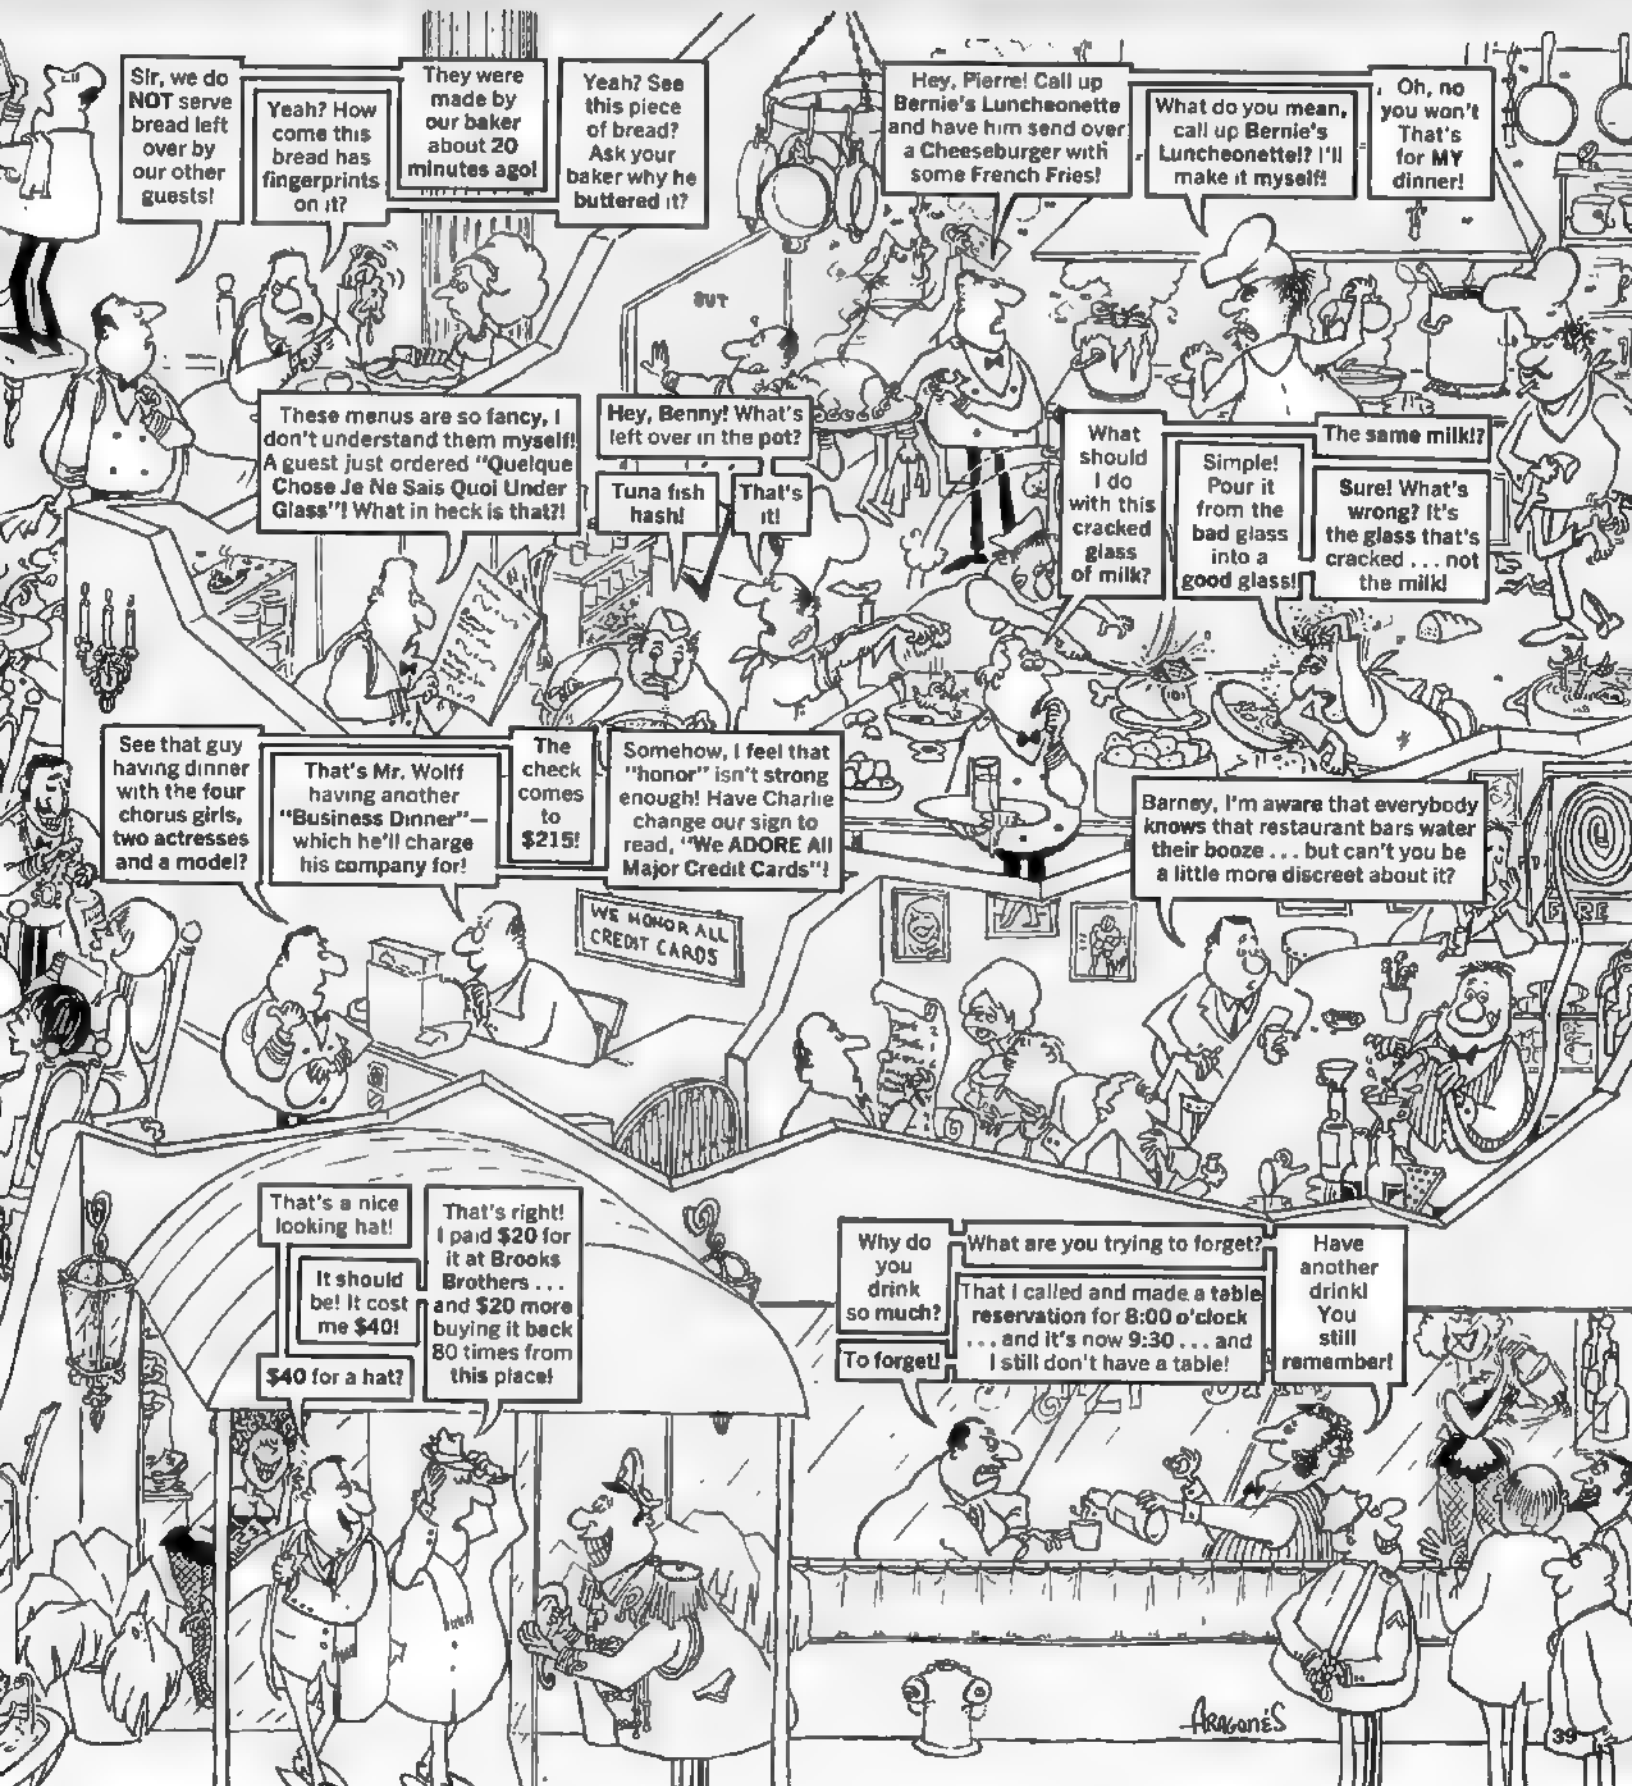

to discover what new and inventive ways we the people are being shafted. Won't you join us for

MARGINALS?**

HERE WE GO WITH AN ALL-NEW MAD FOLD-IN

For over a half century, Sergio Aragonés has made cartoons for MAD. A prolific artist of the highest caliber, he is celebrated for creating thousands of tiny vignettes famously known as "marginals." How does he come up with so much material? To find out, fold page in as shown.

SWIPE FROM B TO A TO FOLD

HIS MIX OF WRY HUMOR AND SPEED IS UNMATCHED. SERGIO IS SIMPLY THE BEST. THE MAD LEGEND IS ALONE IN THE TOPMOST ECHELON OF ADMIRER CARTOONISTS. HIS VAST OEUVRE IS IN SOMEWAYS INNOCENT, BUT IS MOST OFTEN VERY MISCHIEVOUS. HIS BEST WORK IS A SWIFT PUNCH IN THE GUT AND A TICKLE OF THE FUNNY BONE SIMULTANEOUSLY. THIS CRAZY WORLD IS A MUCH BETTER PLACE WITH THE MAESTRO HELPING US LAUGH AT IT ALL. ¡MUCHAS GRACIAS, SERGIO!

After you let your fingers do the walking!

Yep, after you shop the Yellow Pages way, you'll have to soak your fingers in Epsom salts! Why? Because fingers just aren't made for all that walking! We'll show you what we mean: Let's say you're out of Epsom salts. Okay, you'll shop by phone for some. Simply look up "Epsom Salts" in the handy Yellow Pages. There it is—No, that's an "Epsom Salts Manufacturer"! Now what? Try "Drug Stores"—they should carry it! Let's see: "Drug Importers," "Drug Manufacturers," "Drug Store Fixtures"—Ahh, here it is: "Druggists, Retail—See 'Pharmacists'"! More walking! Okay—"Pharmacists"—Hmmm—"Pharmaceutical Machinery," "Pharmaceutical Research Laboratories," "Pharmaceutical Manufacturers"—Ahh! At last! "Pharmacists"! Ho-Boy! Did you ever see so many "Pharmacists"? Okay, let's find one nearby. Start walking down the list. By now, your poor sore fingers are really killing you! See what we mean? You better let your feet do the walking next time. They're made for it!
